Auto pay programs are set up for your convenience. If for any reason your card is declined during the auto credit card program, that payment will be treated as a Non-Sufficient Fund. Your account will then be charged a \$25.00 NSF fee and your credit history will be affected. If for any reason you have more than 3 declined payments in a calendar year, you will be taken off of the auto pay program and the only acceptable payment at that time will be cash or money order. After 12 on-time payments, you can then reactivate the auto pay program. New paperwork will need to be filled out.
